**2024 Pricing:**

Prices stated above are subject to change due to volatility in steel prices and outside production pricing. Due to drastic increases in Machined Items Pricing, Heslin Steel-Fab, Inc. has been required to raise the cost of our tools. This is not something we are pleased to do to our valued customer and Heslin Steel-Fab, Inc. will review pricing quarterly throughout 2024 and will raise or lower prices to match the change in production costs.

**Terms & Conditions:**

Above prices are FOB Canonsburg, PA. Delivery is subject to prior sale of stock. A 5% discount is offered on orders totaling eleven (11) Tools or more in any combination. Terms are 1% 10 Days, Net 30 Days. If purchaser's terms are longer than Net 30 Days, a 2.5% upcharge will be applied and enforced.

**Shipping & Handling:**

A 'Ship To' address will be required with Purchase Order, a Contact Person, and their Contact Phone Number. It is suggested that Tools ship FedEx or FedEx Freight, Receiver Account, or Third-Party Account Number. If necessary, freight charges can be invoiced separately at cost plus 10%. Freight Terms Net 10. We could ship FedEx your account number.

**Taxes & Documentation:**

A faxed Confirming Order will be acceptable along with a current tax exemption form. If you are not tax exempt, then 6% PA Sales Tax will apply to the order.
